

张杨彪，1990年生于成都，中国。从事绘画创作，现工作生活于上海和成都。

张杨彪的创作从早期的油画到近期的丙烯喷笔，多取材于日常静物或生活片段，他注重创作与客观现实的连接，用绘画这一主观表达来承载自己当下的状态与思考。对于艺术家来说，描绘的主题也许简单，但最终画面的呈现却可以丰盛。他用喷笔在覆盖石膏底的布面上呈现出细腻、柔和却极富层次感的画面效果。日常的琐碎仿佛笼罩了一层诗意的美感，失焦的画面质感更吸引人向前一步，仔细观看。在欣赏时能够直观地体会到喷绘手法带来的“胶片摄影”的颗粒质感，透过干净和谐的颜色传递一种氛围美，驻足画前凝视，静物的边际感被削弱，感官上的静谧安宁却被无限放大。张杨彪的作品多次被上海、北京等地的重要藏家收藏。

Zhang Yangbiao (b.1990, China), currently works and lives in Shanghai and Chengdu.

Zhang Yangbiao's works range from oil paintings to acrylic airbrushes, mainly drawing from everyday still life or daily fragments. He pays attention to the connection between creation and objective reality and uses the subjective expression of painting to carry his current state and thinking. The subject may be simple for the artist, but the final picture can be rich. Zhang Yangbiao used the airbrush to present a delicate, soft, layering picture on the canvas. The daily item seems to be covered by a layer of poetic beauty; the out-of-focus texture attracts viewers to step forward and observe. It's intuitive to perceive the granular texture of film photography brought by Zhang's technique, which also brings a hazy feeling. As the margin is weakened, the tranquility is infinitely magnified. Important collectors have collected Zhang Yangbiao's works in Shanghai, Beijing, and other places.
