实习招聘正式开始了! Gallery Intern Recruitment is officially started!

"在这里工作能够全程跟完一个艺术家的项目,这真的比我看一百个展览还要有收获"

--博涵 工作室画廊2019年实习生/春季

"I am so happy to work for Studio Gallery because I was never being treated as an intern! Many of my ideas and thoughts were very much valued by this team! And of course, I learned so much from here!"

-- Anna Studio Gallery 2019 Intern /Spring

【为什么叫工作室画廊?】工作室是艺术家工作的地方,也是艺术家真正发光的地方,因为我们深信只有切实的工作才能带来对这个世界崭新的想象和对未来不断改变的诉求!

【我们是谁?】工作室画廊是2017年初由工作室项目空间发展而来的。后于法租界内兴国路上成立了工作室画廊的画廊空间,目前画廊运营着兴国路及江栀路两处实体空间。兴国路的画廊空间以展览项目为主,江栀路的项目空间以艺术家驻地项目为主。

【有什么不同?】工作室画廊以艺术家真实的工作状态和思考为核心价值开展驻地项目和展览项目和对话项目。旨在不断反思当代全球化语境下艺术文化生态的失衡,致力于创造一个艺术家做创作,思考创作,聊创作等完全基于真实工作经验之上的艺术发声平台。通过国内外艺术家、策展人的驻地工作体会与真实纪录,不断充实画廊的研究、教育及出版项目。

[Why name it Studio Gallery?] We believe in facilitating an artist's journey to create new work, so we named our space Studio Gallery to stress the significance of artists' practice and process. The studio is where the intrinsic value of an artist's imagination is manifested, the studio is where play develops into experimentation, the studio is where authenticity can rise above the conventional values of our society. At Studio Gallery, we support artists whose sincere efforts infuse the world with new meaning.

[Who are we?] Studio Gallery was founded in early 2017, developed from Studio Gallery Project Space. The Gallery Space was opened in the Former French Concession at Xingguo Lu in early 2018. At the moment, we operate two interconnected spaces: the Xingguo Lu space focuses on young artist exhibition programs while the Jiangzhi Lu space concentrates on artist residency projects.

[What makes us different?] Studio Gallery is devoted to supporting the rigorous process the artist must undergo to realize their creations. By running topic exhibitions, artist residency projects, and numerous ARTIST TALKS, Studio Gallery's infrastructure is intended to enliven the artist's spirit and inspire the artist's motivation. The unbalanced environment of contemporary art in the context of globalization motivates us to embrace artists with unique working perspectives. To thoroughly practice our mission, our publication "Artist Talk" newspaper is a concrete record of our gallery programs, artist interviews and art critiques in an attempt to encourage fruitful dialogues between serious artists, art lovers and institutions.
